

## The Edgewater 335EX

*August 2009 WebXtra coverage. Edgewater's brand new express cabin boat, introduced this year.*

By David Conway

*The **Edgewater 335EX** running with the Ponce Inlet lighthouse in the background.*

*The Edgewater 335EX up close coming in to snug up to a beach.*

We fished on the Edgewater 335EX out of Ponce Inlet for the recent "Power Drifting" episode of *Florida Sportsman TV*, targeting red snapper and grouper.

Aboard were Roger Taylor, of Edgewater, three of his friends, Capt. Mark Rogers, myself and FS cameraman Matt Weinhaus. The seven of us had plenty of room on deck, in the helm station, and in the cabin, though we spent most of our time catching fish, and the deck wasn't even crowded with seven of us.

*It did get crowded with red snappers awfully quickly when Capt. Rogers took us to one of his hotspots.*

The Edgewater 335 is a powerhouse, built for the corps of anglers who enjoy long range fishing, like trips crossing to The Bahamas from Florida, or yellowfin tuna fishing trips out of Destin or Pensacola. Designed to run and perform with twin engines only, the 335 Express can be equipped twin Yamaha F250 or F350 four-stroke outboards for reliable, fuel-efficient power.

Folks looking into this boat, whether for private use or company purposes, and who plan to put it to the long trips it's built to make, might want to consider Edgewater's optional electronics package from Garmin Electronics, including a 15 inch GPSMAP touchscreen chartplotter, GSD 22 remote sounder module, B164 1K transducer, GMR 24 high-definition radar, GDL 30A XM satellite weather/audio and GHP 10 autopilot.

On our trip earlier this year, the engineers were still fine-tuning shaft and prop adjustments—the boat is that new. Edgewater debuted the 335EX in January of '09 at the Miami Boat show. Capt. Mark Rogers, a trusted friend of Roger Taylor's, settled in at the helm and rodeo'd the baits and ran us out fast on a pretty, slick-calm, winter day. Rogers often used the 335EX's bow thrusters to make minute adjustments on our drifts, and no doubt they come in handy when docking the big boat.

I only wished we hadn't turned back after limiting out on red snapper and bagging a few good grouper and instead had kept going to The Bahamas where we might have really put the boat's cabin to use on an overnight tuna trip.

## The Edgewater 335EX

The Edgewater 335EX has high grade craftsmanship and built-in features like tackle drawers and cabin furniture from top-grade Florida makers. The 335EX features three cockpit baitwells that total 123 gallons; a transom fish box and a 125-gallon box under the cockpit floor. The cabin offers a well-appointed galley, dinette and air-conditioned berths that sleep up to six people. Deadrise is 20 degrees. Draft without engines is 27 inches. Maximum horsepower is 700, with a fuel capacity of 300 gallons. Standard bow thrusters simplify docking. Overall length is 34½ feet, beam just over 11 feet.

*The helm is laid out with the electronics and all instrument panels directly in front with a comfortable seat for those long rides.*

*Forty-five gallon livewell and cutting board.*

*All of the switches for features like lights and wells on the helm panel are also on the instrument panel in the cockpit right above the livewell, for quick access.*

---

*Fish box: big enough for anything you get out there. The box goes way back, as Roger demos.*

*Convenient and strong tackle storage.*

*Additional 28-gallon livewell at stern so that you can keep different baits separate.*

---

## **The Edgewater 335EX**

*Fold-out transom seat for comfort while running.*

---

*Additional 66-gallon fish box. Of course there is also a freshwater shower hose handy in the cockpit to wash off the salt.*

---

*Cockpit refrigerator, real nice to have close by.*

*The amenities of the cabin, for momma and kids. The table includes an extension for even bigger gatherings.*

*Engineers made sure that there was plenty headroom in the cabin, and Marine Concepts made sure everything fit perfectly.*

---

*The sunroof lets the light in on the bridge.*

*Power vent. Cool stuff.*

*Waterproof TV. A must-have for every helm.*

---

## **The Edgewater 335EX**

*The Edgewater brand.*

More on the Edgewater 335EX:

**Specifications:**

Length: 34' 6"  
Beam: 11' 2"  
Draft: 27 inches  
Dry Weight: 11,500 lbs. (approximate)  
Capacity: 12 adults  
Fuel Capacity: 300 gallons  
Maximum Power: 1,050 hp  
Cockpit Depth: 29 inches  
Cockpit Square Footage: 130 sq. ft.  
Cabin Headroom: 6' 6"  
Freshwater Capacity: 40 gallons

**EdgeWater 335 Express Standards & Options**

**Standard Features:**

1. Lewmar SS Anchor Windlass with Remote Hand Control
2. Bow Fender Locker
3. Bow Anchor Locker
4. SS Bow Rail
5. Flush Pull-Up Cleats Forward/Under Gunwale Aft
6. 24" x 24" SS Bomar Hatch Over V-Berth
7. 12" x 12" SS Bomar Hatches Over Galley & Dinette
8. SS Bomar Portlights (4each)
9. Tempered Glass Windshield with Powder-Coated Aluminum Frame
10. Power Vent in Center Windshield Panel
11. Bottom-Mounted Dual Windshield Wipers with Freshwater Wash
12. Dual 36 inch Flip Bolster Helm Seating
13. Port Helm Storage Unit
14. Starboard Helm Main DC Breaker Panel Cabinet
15. Folding Footrests
16. Ritchie Compass
17. Helm Switch Panels
18. Power-Assist Steering with Tilt Wheel
19. Remote Electronic Battery Switches with annual Override
20. Main AC Breaker Panel/Generator Control Panel at Cabin Entry Door
21. Prep Station Switch Panel for Pumps and Lighting
22. Starboard Prep Station with Tackle Drawers
23. Port 45-gallon Livewell with Prep Sink & Aft-Facing Seat/Starboard Prep Station Drawers/Storage Under Lid
24. Dual 28-gallon & 45-gallon Livewells
25. Flush-Folding Stern Seat

26. Stern Insulated Above-Deck Fishbox
27. In-Floor Insulated Fish box with Overboard Discharge
28. LED Cockpit Lighting
29. Under-Gunwale Rod Racks with SS Toe Rails
30. Fischer/Panda 8kW Diesel Generator with 21-gallon Fuel Tank
31. Group 29 House/Cranking Batteries with Isolator
32. Dual 155-gallon Fuel Tanks with No Crossover Valves
33. Freshwater Capacity: 40 gallons
34. Waste Capacity: 7.5 gallon with Dockside or Overboard Discharge
35. SS Water Heater, 4.2 gallons
36. 2,200 GPH Aft Bilge Pump with Emergency 2,200 GPH High-Water Pump
37. 1,000 GPH Forward Bilge Pump
38. Dual High-Volume Livewell Pumps
39. Raw Water Washdown
40. Mid-Cabin Lounge/Sleeper with Rod Rocks
41. Convertible Dinette/Sleeper
42. 12,000 BTU Cabin Heat-A/C with Digital Control & Remote Control
43. Enclosed Starboard Head with Electric Toilet & Shower
44. Two-Burner Flush Galley Cooktop with Pot Retainers
45. SS AC/DC 4.2 cubic/feet Refrigerator/Freezer
46. SS Coffee Maker
47. Ultra-Leather Upholstery
48. Karadon Marble Galley/Head Countertops
49. Wood-Laminate Cabinets
50. Fiberglass Headliner
51. LED Cabin Lighting
52. SS Microwave Oven
53. 2.2 kW Lewmar Bow Thruster
54. Fiberglass Hardtop with Electronics Box, Tri-Color LED Lights, Speakers & Canvas Enclosure (White Stamoid Fabric)

**Options:**

1. Electric Sunroof
2. Taco Radial Outriggers
3. Folding Upper Station with Controls
4. Cockpit 16,000 BTU Heat-A/C (ce)
5. Cockpit Refrigerator at Port Seat Box
6. Cockpit Electric Grill at Starboard Prep Station
7. Cockpit Bait Freezer at Starboard Prep Station
8. Starboard Prep Station Folding Seat (replaces drawers)
9. Transom Rod Rack
  - Silver Rack/Silver Rod Holders
  - Silver Rack/Gold Rod Holders
  - Powder-Coated Rack/Silver Rod Holders
  - Powder-Coated Rack/Gold Rod Holders
  - Powder-Coated Rack / Powder-Coated Rod Holders
10. 220V/50Hz CE Shore Power/Electrical
11. 12V TV/DVD Package (20 inch Forward, 17 inch Mid-Cabin), Dockside CATV Input
12. Dual Clarion Stereo Package (Cockpit & Cabin), JL Speakers, Cockpit Remote, Sirius Satellite Radio, iPod Inputs
13. KVH M1 Satellite TV Antenna
14. Garmin Electronics Package (15 inch Monitor, High-Definition Radar, GPS, Transducer & VHF)
15. Powder-Coat Package (Hardtop, Bow Rail & Toe Rails)
16. Hardtop Rod Holder Finish
  - Silver (N/C)
  - Gold
  - Powder-Coat (N/C with Powder-Coat Package)
17. LED Underwater Lighting
18. SS Anchor with 1/2 inch Rope-Chain Kit
19. Swing-Down Waterproof 17 inch Hardtop LCD TV
