

# INTRODUCING THE EDGEWATER 388CC

An overwhelming triumph of intelligent engineering...  
A new standard for modern performance.

**Racebred hull design.** This remarkable boat began with a stunning hull form designed by world-renowned naval architect Michael Peters. Like all EdgeWaters, it has a variable deadrise hull with a sharp deep-V entry and large reverse chines for a smooth dry safe ride, but also features a ventilated stepped bottom for reduced drag at higher speeds.

**SPI construction.** Matching these design features with our super-strong, proprietary construction technology, Single Piece Infusion (SPI), the hull achieves a strength-to-weight ratio that significantly improves handling, fuel economy, top speed and range.

**Superior performance.** Specifically tuned to unleash the power of Yamaha's incredibly advanced four-stroke power systems, the perfectly-balanced hull utilizes the extra weight of the four-strokes to offset a wider beam and sharper entry, giving more efficient, stable performance and easier planing over a wider range of speeds and sea conditions.

**Fully loaded.** The 388CC has been thoughtfully designed with every amenity you'd expect: abundant storage, massive fishboxes, ample livewells, a large console with spacious head, comfortable seating, ergonomic helm center and the most impressive list of upgrades and custom options of any boat we build.

388 Center Console

1. Open bow with insulated 640 qt. in-floor fishbox.
2. Spacious console with room for two 15" monitors and multiple accessories.
3. Large 184 sq. ft. cockpit with in-deck fishboxes, transom baitwell and flush-mount folding seat.
4. Teak-trimmed stand-up console with 6'6" clearance, head, sink, shower, storage and six stand-up rod holders.

## SPECIFICATIONS

Length .....	37'10"/11.5m	Transom Height.....	25"/30"
Length w/Bow Roller .....	38'4"/11.7m	Max HP.....	900
Beam .....	11"/3.4m	Cockpit Depth.....	28"/.71m
Draft (Boat Only).....	22"/.56m	Cockpit Sq. Ft.....	184
Boat Weight (approx).....	9,600 lbs/4354kg	Approx. Length Boat/Trailer .....	47'/14.3m
Fresh Water Capacity .....	30 gal/113.6 L	Bridge Clearance w/ T-Top.....	12'4"/3.76m
Fuel Capacity (std) .....	340 gal/1287 L	Bridge Clearance w/out T-top .....	10'6"/3.2m
Fuel Capacity (opt) .....	120 gal/454.2 L	Foam Floatation .....	Unsinkable

# 388CC Standard Features & Options

## Construction

Single Piece Infusion (SPI) Structural System  
 Limited Lifetime Structural Hull Warranty  
 High-Quality Materials such as Vinylester Resin, Airex  
 Foam Coring and Engineered Knitted Fiberglass  
 NMMA & CE Certified  
 Non-Skid Decks  
 NO WOOD All Composite Construction  
 High Density Penske Xtreme® Composite Transom  
 Closed-Cell Foam Flotation

## Cockpit / Deck / Hardware

340 Gallon Standard Fuel Capacity  
 (120 Gal Aux Available)  
 Self Bailing Cockpit  
 Non-Skid Decks  
 White Gelcoat Hull  
 Black Heavy-Duty Rubrail  
 Black Heavy-Duty Tumblehome Rubrail  
 316L Stainless Deck Hardware  
 10" 316L Stainless Steel Cleats (8)  
 Welded 316L Stainless Bow Rail  
 Tilt Steering Wheel  
 Power Assist Dual Cylinder Hydraulic Steering  
 Edson Comfort Grip Steering Wheel  
 316L Stainless Gunwale Mounted Rod Holders (6)  
 Port/Stbd Under Gunwale Rod Storage (6)  
 316L Stainless Cockpit Toe Rails  
 Standup Rod Storage in Console (6)  
 Console Medicine Cabinet with Mirror  
 Tin-plated Copper Wiring  
 Waterproof Electrical Connectors  
 Group 29 House Batteries (2)  
 Group 29 Cranking Batteries (with Engines)  
 Battery Isolator  
 Console Mounted Main Distribution Panel w/Battery  
 Switches, Circuit Breakers and Voltmeters

Electrical Switch Panel with 12V Outlets (2)  
 Folding Electrical Panel Access  
 Auto Manual Bilge Pumps (2)  
 Automatic Console Sump Pump  
 Cockpit Courtesy Lights  
 Locker Lights  
 LED Navigation Lights  
 Fuel/Water Separators (1 per Engine)  
 Bow Anchor Locker with Overboard Drain  
 and Raw Water Anchor Wash  
 316L Stainless Steel Anchor Roller  
 Concealed 316L Stainless Steel Anchor  
 Windlass with Helm Control  
 Console Storage Box  
 Transom Door  
 Built-in 316L Stainless Steel Drink Holders (4)  
 Insulated 640QT Forward In-Floor Fishbox  
 with Overboard Discharge  
 Dual 500QT Cockpit In-Floor Fishboxes  
 with Overboard Discharge  
 Ritchie Navigator Compass  
 Tempered Glass Frameless Windshield  
 Raw Water Washdown Midship  
 Raw Water Washdown Anchor Locker  
 Fresh Water System (30 Gal)  
 Transom Fresh Water Sink with Pull Out Shower  
 Console Fresh Water Sink with Pull Out Shower  
 Custom Billet Alumimun/Chrome Fire Extinguishers (2)  
 Electric Fresh Water Head System with  
 Holding Tank and Pumpout  
 Armstrong Boarding Ladder  
 Lenco Dual Ram Electric Trim Tabs with Indicators  
 Recirculating Baitwell with Dual High Volume  
 Pumps (70 Gal) and LED Lighting  
 Full 360 Degree Cockpit Bolster Cushions  
 Shore Power (30A) with Battery  
 Charger and Console Outlet  
 Bow Thruster with Helm Mounted Joystick Control

## Seating

Recessed, Flush Mount Folding Stern Seat  
 Deluxe Drop Bolster Seat Station w/Storage,  
 Tackle Trays, Rod Holders (4) and Prep Shelf  
 Console Seat with 72 qt. Cooler/Storage

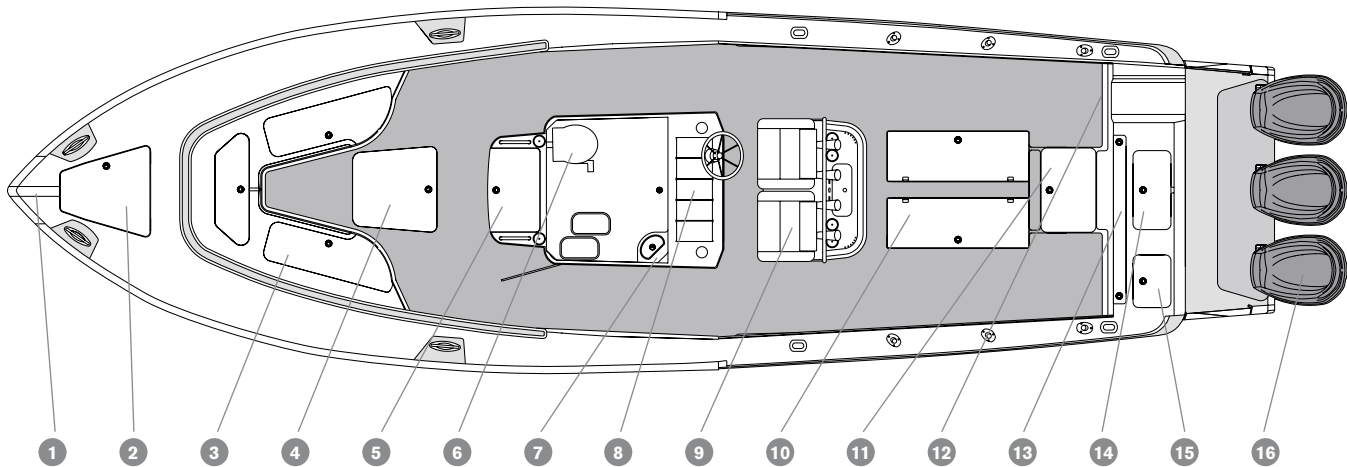

## Optional Accessories

Teak Console Interior Package  
 U-Shape Bow Seating with Cushions and Storage  
 120 Gallon Auxillary Fuel Tank with  
 Electric Tank Selector Valves  
 Twin Engine Ready  
 Triple Engine Ready  
 Aluminum Framed Hardtop with Electronics Box, Rod  
 Holders (6), PFD Storage Bag, Overhead Lighting,  
 Spreader Lights, Helm Lights (white & red LED)  
 Stereo Package with Clarion Marine CD player, Ipod  
 Input, 4 Clarion 7.7" Speakers, Sirius Ready  
 Premium Stereo Package with 960 Watt Clarion Marine  
 CD player, Ipod input, 18 JL Audio Speakers, 2 JL  
 Audio Amplifiers, Sirius Sat w/6 month service  
 Underwater LED Lights  
 Lockable Under Gunwale Rod  
 Storage Box - Starboard (3)  
 Lockable Under Gunwale Rod Storage Box - Port (3)  
 Powdercoating  
 Custom Imron Colored Hull

## Engine Packages

Twin Yamaha Four-Stroke Engines  
 Triple Yamaha Four-Stroke Engines  
 Power Options up to 900 hp
